

We support children and young people

We can help them:

- To complete their annual reviews or EHC assessments.
- To understand reports.
- By attending meetings with them helping them express their views or discuss their concerns about their learning.
- Understand what help they can reasonably expect.
- Find other sources of support and advice.

We can support them alongside their parents or separately.

If you feel your child or young person would benefit from this support please talk to them and help them to get in touch with us.
